WHATS NEW IN NEVADA ELECTIONS

Nevada elections just got even more accessible to all voters and below you will see a brief outline of the 2019 Legislative Session changes to the voting process. For more details please go to our website at www.ClarkCountyNV.gov/vote and click on the ["WHAT'S NEW IN NEVADA ELECTIONS"](#).

***Automatic Voter Registration** at the Nevada DMV, will be available **beginning January 2, 2020**, for eligible voters. During your transaction with the NV DMV, you will be automatically registered to vote, unless you choose to opt out of registration. *Reference State Question Number 5 of 2018 General Election and AB345 of the 2019 Legislative Session.*

***Same Day Registration** will be available to all eligible voters wishing to update or complete a new registration during the early voting period, or on Election Day, at all voting locations. Online registration and updates to existing registration may be entered through the Thursday before Election Day. You may only register online using the Nevada Secretary of State's website at www.RegisterToVoteNV.gov. *Reference AB345 of the 2019 Legislative Session.*

***Mail/Absentee Ballot** request deadline has changed to the 14th day before Election Day. Voters may now make a one-time request to receive a permanent mail/absentee ballot status for all future elections. All voted mail ballots must be received by 7pm on Election Day or postmarked on or before Election Day and received by the Election Department on or before the seventh day after Election Day. *Reference AB345 of the 2019 Legislative Session.*

***Restoration of Right to Vote** law has changed for Nevada residents with felony convictions in Nevada or in any other state who are currently not in prison. They are now allowed to immediately register to vote. This also applies to persons

whose voter registration had been previously cancelled because of a felony conviction and to persons who are currently on probation or parole. No special procedures or paperwork are required. Such persons need only follow the standard procedures for voter registration and must also satisfy the standard voter registration eligibility requirements.

References: AB431 of the 2019 Legislative Session

***Provisional Voting** will now include a full ballot, regardless of the reason for casting a provisional ballot. This means they will contain all offices, candidates, and questions that would be on a regular ballot for the voter's precinct. After an election, the Secretary of State will establish a system, such as a website or toll-free number, to inform voters of provisional status.

RAISE THE VOTE PROGRAM

The Clark County Election Department invites and encourages businesses, non-profits churches and school clubs to partner with us for the purpose of supporting the electoral process by providing personnel to serve as poll workers on Election Day. In addition to serving the community, your organization or school club can also use this opportunity to raise funds. Each club provides personnel to staff a Vote Center. We provide the training. Volunteers may then donate their earnings to your organization or school club. Or, if you have a W-9 form on file with the IRS, the Election Department will directly pay your group instead of paying the individuals. By forming a partnership with the Election Department, fundraising efforts are directed toward a worthwhile cause and the public is served by having qualified workers at our

Vote Centers.

We encourage you to produce signs or t-shirts with your organization name to post or wear on Election Day. All designs must be approved by the Election Department.

If you are interested in learning more, please call Keyshaundra Lighten at 702-455-2814 or email her at Keyshaundra.Lighten@clarkcountynv.gov.

COMMUNITY OUTREACH

It is the mission of the Clark County Election Department to build, strengthen, and expand outreach programs to create community networks that will participate in supporting new programs, promoting our current services, recruiting workers, and motivating electors to exercise their right to vote. In our efforts, we have collaborated with community based organizations that we seek to partner with in an effort to expand their ability to provide voter registration services and voter education services to citizens.

If your organization would like to learn more regarding voter outreach, voter education or speaker services, please contact the **Administration Division at (702) 455-2944**
